MOLINA HEALTHCARE TERMINATION

Free Counseling Services Available
to all Medicare beneficiaries
affected by the recent termination
of Molina Healthcare.

Effective May 1, 2017, Molina Healthcare will no longer be available to Medicare beneficiaries in Sangamon, Logan, Christian and Menard counties. Beneficiaries will be automatically enrolled back into regular Medicare and Medicaid with a SilverScript Medicare Part D plan. It is important for every Medicare recipient to review his/her coverage and be certain that the Medicare Part D plan chosen for you will have the best coverage for your medication.

Trained counselors from Area Agency on Aging for Lincolnland can help you review your options and determine what medication is covered and what costs you will likely incur.

To make an appointment with one of the counselors, please call the Area Agency on Aging at 217-787-9234 for an appointment. On the day of your appointment, you will need to bring your red white and blue Medicare card and your current medications or a list of all your medications.

The Area Agency on Aging for Lincolnland is a nonprofit planning and service agency designed by the Illinois Department on Aging to develop and coordinate programs and supportive services for persons 60 years and older and family caregivers. As an area-wide focal point for aging issues, the Area Agency works to create an awareness of problems faced by the older population and encourages the development of services to address these problems. Programs and services are funded by the Older Americans Act, through the Illinois Department on Aging, and with local funds from community services.
